Chapter Recommendations for Recognition

Chapter _____

An important part of any Commander's duties is to insure that the men under him receive proper recognition for the services that they render to the Order. Each Chapter Commander should fill out this form and submit it to the Society Commander two weeks prior to the Society's Annual Reunion. If the Chapter Commander does not have any recommendations, he should sign and return the form as directed by the Society Commander. States without a Society should send forms to the Army Commander.

Have any Chapter members performed services on behalf of the Military Order of Stars and Bars, above and beyond their normal duties as a member of the organization?

Yes No

If "Yes," give Compatriot's name, address, a brief description of his deeds and whether his service is to the Chapter, Society or the Order in General.

Do you have any Chapter members between the ages of 12 and 18 years of age (or any local boys in the SCV or the Children of the Confederacy) who have done outstanding service to the Organization or service to the cause of Confederate Heritage? *A brief narrative giving the reasons for the recommendation should accompany recommendations.* Give name, address and affiliation. *(Attach narrative)*

Does your Chapter have any law enforcement officers, local, state or federal, that should be recognized for conspicuous gallantry and dedication beyond the call of duty? Give name, address and attach full documentation of deeds and actions.

Does your community have any individuals or organizations that are non-members, either males or females that should be recognized for exceptional service to the Military Order of Stars and Bars, Southern History and its preservation? Give name, address and reason for recommendation.
