

INSTALLATION CEREMONY FOR CHAPTER OFFICERS

The person installing the new Chapter Officers shall install the Commander, Lieutenant Commander and Adjutant separately (or as a group). The rest of the Chapter Officers shall be installed as a group. The Installing Officer shall ask all to raise their right hand and place their left hand over the Chapter's Holy Bible and repeat after him:

"I, (full name) pledge to support and uphold the Constitution, Bylaws and principles of the Military Order of the Stars and Bars; to carry the responsibility of my office with honor, defend the right to free speech and the heritage we have."

"By the powers vested in me as (MOS&B title of Installing Officer), I declare you duly installed as (Commander, Lieutenant Commander, Adjutant or Officers of the Order.) We welcome you to the Staff of the Name Chapter."

The Installing Officer will then lead the applause for the newly installed officers.

The Confederate Commissioners are taken off the *Trent*.
